News from the Town of Elmira

S P R I N G - S U M M E R 2 0 1 3

GREETINGS

Number 34

Dave Sullivan, Supervisor & Matt Mustico, Highway Superintendent review the Spring Road Repair List.

The media is filled with stories about the rising cost of government. I am concerned as well and that is why our town board has been working very hard to provide the best possible services at a reasonable cost. Through shared services, a very conservative budget process and by using sales tax revenue, the town tax levy has shrunk 22% since 2010.

For an illustration of the savings, check out the following example:

A home in West Elmira assessed for \$102,000 (using 100% assessed valuation)

	2010 tax	2013 tax	Pct. Change
General Fund	\$90.40	55.23	-38.9%
Highway	74.10	31.08	-58.1%
Light District	27.93	17.43	-37.6%
Park	67.57	54.31	-19.6%
Traffic (Police)	143.96	155.81	8.2%
Town Tax Bill	\$403.96	313.86	-22.3%

As always, I hope you thoroughly enjoy this spring newsletter. Please reach out to board members and staff with any questions, any time! Use our website www.townofelmira.com or the handy contact guide on page 9.

GREAT NEWS

Compost Your Clippings

The Town Compost Facility located at the Highway Garage, 1890 W. Water Street is open and ready to receive your yard waste, but large tree branches and big brush (aka whole bushes) will NOT be accepted. Due to the increased cost of grinding tree branches and brush, Highway Superintendent, Matt Mustico asks neighbors to help him keep this service cost-efficient and available, "We'll be monitoring the drop-off site daily and limiting the content and size of loads." To clarify, Mustico says, "Our site is set up for reasonable size loads of residential twigs and clippings, not whole trees, tree branches and bushes, so any big pick-up or trailer loads will be turned away." If you have not already done so, residents and property owners may apply for a free permit at Town Hall.

New Hours of Operation.

Monday - Friday 7:00 A.M. to 3:30 P.M. except holidays
Saturday 8:00 A.M. to Noon

SEASONAL SHORTS

From Code Officer, Chip LeValley...

Lawn Care 101

It's grass mowing time again. Chip says, "Town law requires tidy lawns be kept under 10" tall and please help us keep storm drains clear." Homeowners (and their yard-work helpers whether kids or contractors) should keep grass clippings off roadways. "Please mow the grass closest to the street so cuttings go back into the yard," he asks. Clippings clog catch basins. That disrupts storm water distribution, and that leads to flooding.

Help Us Find You

House numbers must be a minimum of 4" tall, so emergency vehicles can see them from the street!

Check It Out

Chip's got his own page at www.townofelmira.com. Under CODES you'll find a heap of handy files and links:

New York State Building Codes: <http://publicecodes.cyberregs.com/st/ny/st/index.htm>

I want to build a deck! What do I need to do?

Last But Not Least

Chip says he spends a lot of time "on the road" doing inspections, so "I may not be in the office when you stop by. You're welcome to call ahead and set a time to discuss your building or spring project."

From Highway Superintendent, Matt Mustico...

Spring Clean-Up Commences

Street sweepers are out and as soon as the blacktop plants open, Matt says, "We'll be out, putting in permanent patch in the pot holes." There is no spring pick-up, so please remember that yard waste, grass clippings and leaves **DO NOT** go in the roadway. "If folks have any questions, they are always free to call," he adds. "I can be reached at 734-0199, between 7 & 3:30 or at highwaydept@townofelmira.com anytime."

Roads Report

The following roads will be resurfaced: Rorick's Glen, Greenridge Drive, Geneva Street, Carrollton Avenue, Guinnip Avenue, Turner Road, Groff Road and part of Crane Road. Mill Hill will get oil and stone. Residents will be informed when work is to take place. Depending on the cost of materials, road list may be reduced or expanded.

More Great News...

EFA Senior, Hannah Strong has been recognized for exemplary service to her school and community. Nominated by her guidance counselor, Eloise Streeter, Strong received an Outstanding Youth Award at the November 2012 Town Board Meeting.

In her nomination, Streeter notes Strong's myriad accomplishments both in and out of school. The academically-gifted Strong sits in the top ten of her class and holds leadership positions in the National Honor Society and Student Council, as well as on her soccer and lacrosse teams. A dancer, referee, lifeguard, mentor, Rotary Youth Salute Top Ten finalist and friend, Strong has also logged more than 100 volunteer hours at Arnot Ogden Medical Center and participated in numerous fundraising walks, runs and rallies year-round. After graduation, Strong plans a pre-med major followed by medical school for neuroscience.

Class Act

Hannah Strong

Outstanding Youth Awards are awarded by the Town of Elmira to recognize lifelong residents who have made significant contributions to their schools and community, as well as demonstrated qualities of leadership, character and good citizenship. Youth leaders, parents, educators, coaches and clergy are encouraged to nominate young people in grades 7 - 12 who reside in the Town of Elmira. Nominations are accepted year-round.

100 Reasons to Smile

Centenarian Still Cares for Her Own Home in West Elmira

Mildred Rugur has a great sense of humor. Despite having suffered the misspelling of her palindromic last name for years, she laughs off the "Rugar with an A" on the declaration in honor of her 100th birthday that was delivered by State Senator, Tom O'Mara. In fact, she laughs her way through an entire interview, amazed that the celebration begun in California at Christmastime when she was "99.9 years old" is still of interest to anyone!

Born in 1913, Rugur passed the century mark on February 8th. She says her birthday went on and on "including parties one after another with my Monday lunch club, the Horseheads Retired Teachers Group, Retired Teachers of the Elmira Area and the ADK sorority." In fact, a rather large stack of cards still sits beside her chair.

The retired teacher, Elderhostel world traveler and long-time literacy volunteer says she still loves to read and to amaze herself with things like Ancient Greek. "My friends think I'm crazy, but I just got one of the Great Courses in Calculus so I can figure out what I missed the first time through." Rugur credits her "very good health" with helping her live so long, but folks might suspect her boundless energy, high spirits and sense of adventure have at least as much to do with it.

...and an Unexpected Good-bye

On December 12, 2012 the Highway Department lost an employee and friend. Mike Shaline underwent open heart surgery on December 7th. The surgery went fine, and Mike was released from the hospital on his 21st birthday, December 11th. Highway Superintendent, Matt Mustico got a call from Mike's family on December 12th saying he was not doing well. "Around 6:15 P.M. they called asking me to come to the E.R.," Mustico remembers. "By the time I arrived Mike had passed away from heart complications."

Mike started his work with the Town as a BOCES student in the summer of 2009. "I called him back for summer help in 2010," says Matt, "and when a full-time position opened up, I was able to keep him." In January 2013, the Highway Department took delivery of a new plow truck and decided to dedicate it in memory of Mike. The new truck, MIKE is numbered 21 in honor of his 21st birthday the day before he passed. At the Town Board Meeting on January 22, 2013, members of the Highway Department presented Shaline's family with a plaque bearing MIKE's picture.

Family Accepts Plaque Commemorating New Plow, MIKE

SPRING INTO SUMMER

Hot Fun in the Summertime

The Town of Elmira Recreation Commission is thrilled to bring you another season of great events from movies to music, gardening to golf! We want kids and kids-at-heart of all ages to come out to play in the Park!

Watch for dates & times on the sign board in front of Town Hall!

Fun & Games

Summer Athletic Camps for kids ages 6 - 12 are back and better than ever! This year we'll offer basketball, baseball, golf, soccer, games, lacrosse, softball, running and more!

Each one-week program focuses on fundamentals, skill-building and fun. Space is limited and some experience is preferred. Registration flyers will come home from school with your child in May.

All camps will be led by Bob DeMember, certified Physical Education/Health Education Teacher, as well as qualified, sports-specific co-instructors -- Jay Stuke, Jerry Laney and Derek Hamilton.

Any questions? Call Bob DeMember @ 795-0756 or email rdemember@gstboces.org.

Swing Batter Batter

The West Elmira Cal Ripken Baseball, Babe Ruth Baseball and Cinderella Softball Leagues will offer another full season of fun for players ages 4 & up. Come on out and enjoy a swinging good time watching our regular season teams and welcoming our tournament season guests! Sign-ups continue at Town Hall through April or until teams are filled.

May 4th -- Opening Day Parade & Activities -- 11:30 A.M.

Let's Hear it for Lacrosse

Lax is back for its second summer. The Elmira Youth Lacrosse League is an independent youth league dedicated to teaching boys and girls in grades K-6 the basics. For more information, contact coordinator, Jason Stuke by phone at 742-6428 or by email at orangefan44@hotmail.com.

Pool Prep & Snack Shack

Be sure to welcome our new pool directors and welcome back our friendly guards! With summer right around the corner, we can't wait to once again offer a safe, clean, fun environment where town families can swim and play together! Please remember to sign up early for swim lessons and to sew your patches on your bathing suit or towel.

Check it out! A brand new Snack Shack has been situated on the park-side of the pool complex for your convenience.

– Summer Music Schedule –

Sweet Sounds of Summer

Pack a picnic, bring a blanket or beach chair and join us for some mid-week music!

Wednesdays @ 6 @ the Pirozzolo Park Pavilion

- July 10th Joe Cavallaro's Big Band (swing)
- July 17th Diamond Back Rattlers (blue grass)
- July 24th Gray Matters (classic rock)
- July 31st Luck Ducks (all your favorites)
- August 7th Boots (classic country)
- August 14th Hepcats Big Band (swing)
- August 21st Suspect (classic rock)
- August 28th TBA (Celtic)

The Hans Peterson Blacksmith Shop in West Elmira- 1876 to 1915

Scott W. Deming- Town Historian

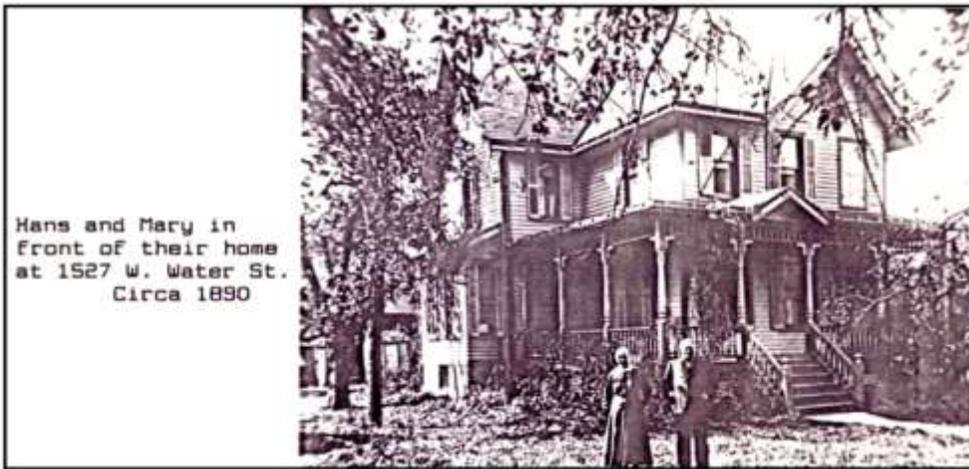

Hans Peterson blacksmith shop once located west of the point at Redfield Drive

It was recently brought to my attention by Dr. Marsden Stamp (a lifelong resident of the Town of Elmira) that there once was a blacksmith shop near the point in West Elmira. I thought it would be of interest to do an article on the "town blacksmith" since they played an important role in the operation and maintenance of the major mode of transportation of the day (the horse and carriage) as well as the operation and maintenance of the local farms. In looking through files at the West Elmira Town Hall I was able to locate information on the Hans Peterson blacksmith shop. Childhood

sweethearts Hans Peterson (born on November 14, 1845 to Peter Hanson and Mrs. Hanson and died April 18, 1927 at the age of 81 years old) and Mary Kell (born on January 19, 1850 to Olof and Kjersti Kell and died at the age of 103 years old on November 3, 1953) immigrated from their native Stockholm, Sweden in 1872 on a steamship voyage that took 22 days. Hans had learned the blacksmith trade while in his native Sweden. Hans arrived in Elmira with a carpet bag containing all of his belongings and the equivalent of ten dollars. After several days in Elmira Hans and Mary relocated to Buffalo, NY where they were married on November 4, 1873. After living in Buffalo for 13 months they returned to Elmira and they never left once they returned.

When Hans first arrived back in Elmira in 1874 he went to work for John Cooper who had a blacksmith shop at 209 South Main Street in Elmira. The firm soon came to be known as Cooper and Peterson and then Peterson and Kell. During the building of the Elmira Reformatory the stone workers needed their tools sharpened so Hans worked nights sharpening their tools and delivered them to the workers first thing in the morning. This job was extremely profitable and gave Hans a very good start. In 1876 the residents of West Elmira decided they needed a blacksmith shop in their neighborhood. They invited Hans to relocate there but Hans had reservations due to the fact that it was so far "out in the country". At the time West Water Street was dirt road which ran along the river. They finally convinced him by giving him land to build a building on. The land the shop was located on was part of the old Fitch farm who Fitches Bridge is named after. The location of the shop was on the south side of West Water Street very near where the present Redfield Drive connects to West Water Street. This location was just across from the Coleman farm, long the home of Alexander K. Coleman at 1816 West Water Street. Hans and Mary lived in an old vine covered hewn log cottage (behind the shop) near the river. They lived there prior to building their "modern" house at 1527 West Water Street in 1889. The old log cottage was just west of the old Bartholomew's mill which was a saw mill and grist mill combined with a large water wheel that was run by the flow of the river. Over the next 40 years Hans built a blacksmith business that was a local landmark for many years with customers coming from 20 miles around for his services. Some of Hans' customers included Judge Hiram Gray (of Cobbles house fame) and Ferral Dinniny (lawyer and member of Blossburg Coal Company) who always drove their horses to Hans's shop to be shod and he also maintained their wagons for them.

The Hans Peterson Blacksmith Shop in West Elmira- 1876 to 1915 continued from page 5

In the early morning hours of December 7, 1915 the Peterson blacksmith shop burned to the ground. Their son's house (Frank Peterson) was approximately 200 feet east of the shop and they were awakened by the smell of smoke

only to find the shop on fire. All of the neighbors responded but the blaze was too far advanced and all they could do was to stand there and watch it burn.

According to records Hans became a citizen of the United States on October 11, 1880 and he was a resident of the town of Elmira at the time. He and Mary went on to have three children; Ella, Frank and Dr. Henry A. Peterson. Ella Peterson was born on June 6,

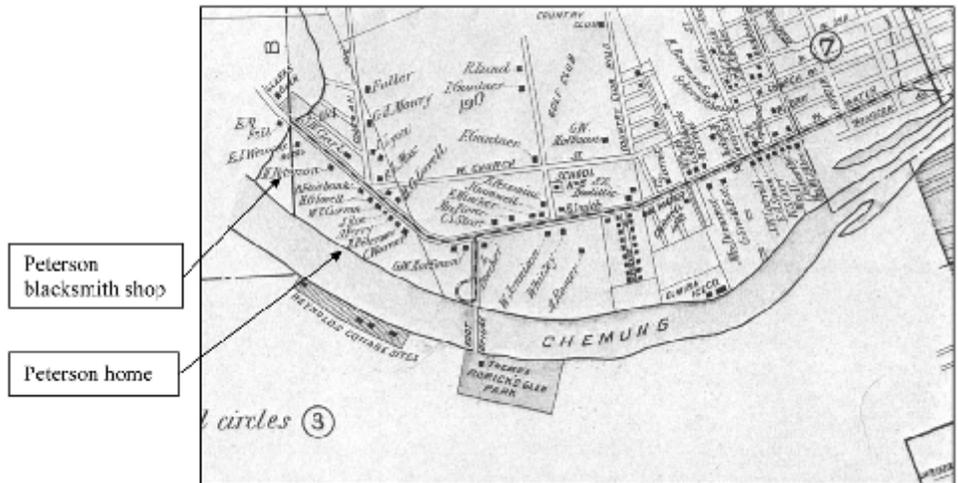

Ella Peterson

1875. Ella went on to Cortland Normal School and she became a school teacher in the one room school house

No. 6 (prior to Hendy Ave school being built) near the point in West Elmira and then on to teach at school #10 in Elmira. She died on July 13, 1915 at the young age of 40 years old. Frank Peterson was born on October 19,

1880. He married Eva Mary Harvey on September 6, 1911. They went on to have three children; Fred Harvey, Frank Kenneth and Eleanor Ervin Peterson. Frank was a departmental clerk at Barker, Rose and Clinton. Frank died on Dec. 15, 1916 at the young age of 36 years of age of pneumonia. His wife Eva married Harry Schornstheimer (Dick Shornstheimer's parents) after Frank died and had children by him. Henry A. Peterson was born on June 24, 1883 and went on to Buffalo University and University of Pennsylvania where he graduated with his DDS degree in 1905. He married Lulu Betsey Hill shortly after he began practicing dentistry. He and Betsey went on to have two sons; Dr. Henry Hill Peterson and Dr. Stewart Ervin Peterson. They lived next door to Henry's parents, Hans and Mary, at 1525 West Water Street for many years. Henry A. Peterson died on October 9, 1950 at the age of 67 years of age. Many of the Peterson's are buried in Elmira's Woodlawn Cemetery.

Information for this Peterson article was received from records at the Town of Elmira, the Steele Memorial library, various obituaries from the Star Gazette and information from Dick Schornstheimer.

Writer's Note: I continue to look for historic subjects (people, places, homes, historical events, old schools, family history, etc) about the Town of Elmira to write about. If you have any suggestions or information for future articles please e-mail them to me at demingsw@yahoo.com or call me at 607-732-1177.

ESSENTIALS

Scam Alert! Illegal Money-Making Schemes Hit Town Residents!

A Special Warning from Police Chief, Peter Michalko

In the last two years, the West Elmira Police Department has seen a substantial increase in fraud investigations in which Town residents have been scammed out of money. Sadly, we are sure not all victims of scams are reporting the incidents. Victims are sometimes reluctant to report the incident out of embarrassment to admit they have lost money and/or fallen prey to a scam. There are several varieties of scams being used in which victims are asked to send money via Western Union or money order to subjects who reside in Canada, Puerto Rico or other foreign countries. The most common is a phone call or letter reporting a Lottery winning in a foreign country. The victim is "required" to wire several thousand dollars in order to "speed the winnings through Customs" and told the FBI will deliver said winnings to their front door. Sounds silly, but imagine you were notified that you had won hundreds of thousands of dollars and you only needed to send three thousand dollars via Western Union or Money Order to get it delivered to your door? ! Here are the holes in the scammer's story: first, if you won it would be much more efficient for the awarding Lottery to pay the "customs fee" out of the winnings; second, the FBI does not deliver lottery winnings. The story would be more believable if scammers said the IRS would be involved as any winnings from a foreign country are TAXED. The IRS, not the FBI would contact you to determine how you were going to pay those taxes; and third, a payment to rush your winnings through customs sounds illegal. It is! If someone suggests it, there's a scam afoot. Last, but not least, how exactly does one win a lottery in a foreign country when one has NOT entered? If this scam is run by phone, scammers will sometimes provide a phone number to call. Do not be fooled, just because a number is provided does NOT mean the phone is traceable. Scammers simply purchase a TRAC phone and an Air Time card as these can be activated anonymously. Basically, a throw away phone is untraceable. The number assigned may give you indication in what state or country the phone was activated but remember that after activation that phone can travel to any location in the world.

Often we see "Winning Notification" letters which are received via mail. The postmark is usually different than the country identified in the body of the letter announcing you are a winner, this is the first clue you are being scammed. If the letter is postmarked from CANADA and the letter inside is informing you that you have just won several hundreds of thousands of dollars in Puerto Rico as a result of a lottery winning please ask yourself than why did the letter come from Canada or another country not associated with the lottery you supposedly won. This letter should be on it's way to the trash can before you even read it any further. Often in the letter a phone number will be provided for you to call to claim your "winnings". Upon making that call you will be instructed to go obtain a Money Order for several thousand dollars and then call the number back for further instructions. Upon calling the number back you will be asked to provide the numbers located at the bottom of the Money Order, once you have given those numbers the money on that money order IS GONE. The scammers do NOT need the paper version of the Money Order but only the serial number on the bottom of the Money Order. There have been cases where the victim has been instructed to make the money order out to a family member to ensure it is not a scam. Regardless of whose name is on the Money Order once you provide the serial number the money order is cashed and that money is gone.

Another popular scam we have seen is where a caller claiming to be a grandchild calls and asks you if you know who this is? Upon you guessing with a name the scam then begins where the caller assumes the name and tells you NOT to tell his parents but he is in jail in a foreign country and needs several thousand dollars to make bail and you can call with the money order information to post his/her bail. This scam has also been used with the excuse that the grandchild has been involved in an accident in a foreign country and bail money must be sent. Do not fall victim to these scams.

Lastly, it has been brought to our attention that there has been telephone solicitors claiming to collect donations for "your local PBA ". The West Elmira Police Department does have a PBA but has NEVER solicited by telephone. If you receive this call please ask the caller what the name of your PBA is? If you donate money to this solicitor the money will NOT be donated to your local PBA, the West Elmira PBA has NEVER received a check from any organization that has solicited by telephone. If you would like to donate to the West Elmira PBA you can do so by mailing or dropping off your donation to the WEPD at the Town Hall.

If you are ever in doubt about falling victim to a scam please notify us BEFORE you send any money out of the country or to a PBA organization. The best number to use for NON EMERGENCY contacts is 735-8600, this is the Non Emergency line into central dispatch and can be used 24 hours a day to contact the West Elmira Police Department.

Stay Safe, Chief Peter Michalko
