Department Reports

Recreation Coordinator- Patty Carozza stated that she had a few rentals in December and so far, a few in January and February. The regular groups are still attending. Patty discussed the lighting on the road leading to the Community Center. Deputy Supervisor Allison thanked Patty for her

involvement as well as the Fire Department for their First Tree lighting ceremony stating that it was a good turn out and a very nice event. Councilmember Lucarelli agreed and said it seemed like everyone who attended had a great time.

Police Chief- Bob Richards read his report regarding the calls, arrest and other reporting incidents for November. He stated that David Cook has finished Academy and has started his field work with the Department. Chief Richards stated that his department participated in the Thanksgiving STOP DWI crackdown event as well as the Shop with a Cop event.

Highway Superintendent- Matt Mustico informed the board that they completed leaf pickup for the season. It lasted longer than usual due to the times when the leaves were falling. They went around the town several times doing pickups. One of the guys has been working on sweeping the road when weather permits. They have been trimming trees as well. Matt stated that they received the new truck and are very pleased with it.

Code Enforcement Officer- Eric Crandall stated that November was a good month he is on track with his projected budget for the end of the year. He stated that the W. McCanns property has been completed and is all taken care of. The Ferndell property has also been remedied. The Town Board discussed the Greenridge property with Eric.

Lynn Pirozzolo informed the board that Dave and others will be taking down the Pirozzolo Park sign in hopes to have it restored. They have reached out to business' and are hoping to get it restored to use the same sign rather than replacing it as it's been there for approximately 30 years.
