Update from the Supervisor.....

Here we are in June which I have heard being referred to as the “pearl of summer.” I would absolutely agree.

The Park looks wonderful and every department in the office and out on the roads, is increasingly busy with their respective work. I continue to be both amazed and grateful for the dedication of the Town employees who take pride in the unique jobs they each do on behalf of the Residents of the Town. I am proud to be associated with them all.

Sign-ups for summer programming continues, and we are excited for the months of summer to see residents take part. I encourage all to come to the Music in the Park Series produced by the Rec Board. It’s a great way to spend a summer Wednesday night. As a teaser, there will be a very exciting announcement planned for the July 10th Music in the Park so stay tuned for more on that.

I am beginning work to apply for the newly established NY SWIMS grant program to help make improvements and offset the costs associated with maintaining the Town pool. The Board continues to be committed to maintaining the gem that the pool is for the community, and how it contributes to promoting the important life-skill that learning to swim is for so many children. The information with specifics is coming out in stages so there are still questions about who and what projects meet eligibility. Please know that if there is a way to get a piece of what the State has set aside for public pools, I will be right in line!

In April, **Friends of the Chemung River Watershed** celebrated Earth Day all week long by hosting an Earth Week Camp at the Town of Elmira Community Center. Ten campers engaged in five days of activities that taught them all sorts of ways to help and appreciate our beautiful planet! Activities included making insect hotels, crafting upcycled boats, painting, learning about stream bugs, making flower pots and planting sunflowers, and much more!

Chemung River Friends camps get children outside and keeps them engaged in thoughtful fun in and around the river. Summer camps also feature a kayak trip on the Chemung River.

Come Join us for a Flag Day celebration!

Tis the season for lawn mowing

Did you know there's one thing you may be doing while
mowing the yard
that's actually illegal in New York State?

As mowers are being brought out of winter storage, you
need to keep this in mind to avoid a fine.

Blowing your grass clipping in the road is against the law in New York. You may not only be fined but you
could also get sued if the clippings cause an accident.

Section 1219 of the [New York Vehicle and Traffic Law](#) prohibits grass clippings and other debris on streets
and highways.

No person shall throw or deposit upon any highway any glass bottle, glass, nails, tacks, wire, cans, snow,
grass clippings or any other substance likely to injure any person, animal, or vehicle upon such highway.

Grass clippings can reduce traction and cause a motorcycle driver to lose control.

If there's an accident, you're responsible.

ALSO be kind to the many walkers and keep the sidewalks clean

Lawn Care Tools and Hours of Operation

With the spring and summer months upon us, the West Elmira Police Department would like to remind residents and lawn care companies of the Town of Elmira Noise Ordinance.

Lawn care and gardening tools that are audible beyond the property line, are only permitted to be operated between the hours of 8 AM to 8 PM on weekdays and between 9 AM to 8 PM on weekends.

Violations of this ordinance can be reported by calling police dispatch at (607) 735-8600.

Thank you for your cooperation and have a safe summer.
