Update from the Supervisor.....

Taking full advantage of the periodic great weather in the Park, we have had walkers of all ages (also of the canine variety), basketball players, and runners. It is wonderful to see activity again and it's an encouraging sign of things to come.

We were very fortunate to receive grant funding later in 2023 from the County that enabled us to purchase more cameras that were installed in the park to enhance safety and security. This was in response to some incidents of vandalism that occurred last summer. Ensuring that the Park remains safe, in good repair, and maintains it's beauty for all of you; is of utmost importance to us.

Come back to our page monthly so that you can be up to date on the great events planned this spring and summer. We are looking to partner with Chemung River Friends for kids' camps, increase the number of swimming lessons, pool parties and other great stuff.

Stay Tuned and be well!
