Update from the Supervisor

Welcome to spring!

Lot's going on in the Town. We are looking to do a dedication after the finishing touches are completed on the new basketball courts. No date yet as we need to wait for the striping of the courts to be done. As noted last month, an Arbor Day recognition is happening too and scheduled for the 25th of April.

There has been much activism surrounding community solar projects and enthusiastic opinions on both sides of the aisle for and against such projects. I have very much appreciated the input of the public on projects that have been proposed on Town Residents' property. The Town Board and Planning Board continue to consider concerns brought forward. We also continue to do our due diligence by consulting with experts and other municipalities who are further down the road than we are.

We are looking forward to the Park activities to come as the weather gets better. We will be accepting applications as we look to fill our lifeguard positions. A reminder that the Pickle Ball courts will be open for use beginning May 1st.

And another reminder to please be sure to clean up after your dogs. We have offered access to bags in the park as well as on the Church and Water loop in 3 spots; the point, in front of the Town building and along side the former Community Bank.

Grab a bag on your walk and be prepared!

"April...hath put a spirit of youth in everything." - Shakespeare

News from the Clerk's Office

Reminder that you must have a compost permit in order to take leaves, brush or branches to the compost facility.

The facility has video surveillance to prevent illegal dumping

- You **MUST** be a town resident
- **NO CONTRACTORS**
- If you hire a lawn person the amount you pay them is for disposal also they **CAN NOT** take it to the facility
- If a neighbor/relative helps you must accompany them as the permit is in your name

Permits are available at the Clerk's Office

Have you heard???

Because of the Dedication of the Town Tree Board, the Town recently became a Tree City USA participant.

The Tree Board would like to invite you to celebrate this achievement during their Arbor Day Celebration being held April 25th at the Town Hall starting at 12:30pm

The Town has a dispensary for retired flags in their lobby. Be sure to drop yours off to be disposed of respectfully at the 2025 Flag Day Celebration

Details on that event will be in the May newsletter

The West Elmira Police Department are looking for Substitutes to fill in as crossing guards. Anyone interested is encouraged to stop in the Clerk's Office and fill out an application.

Pirozzolo Park

Pirozzolo Park is a wonderful place with many activities for all ages. It takes EVERYONE to keep it running smoothly and safe. West Elmira Police work hard at keeping it safe, the Grounds Keeper works hard at making sure the park is clean for all.

The past few years we have had several complaints and have seen vandalism take place in the park. We are able to view these incidents thru the security cameras throughout the park. We are asking anyone that frequents the park to please keep a look out and call the non emergency line at 607-735-8600 if they see anything.

When vandalism occurs, it is the tax payers dollars that go into the clean up.

HELP KEEP OUR PARK SAFE AND CLEAN!!!!

We have many people who love to walk in the Town, whether it be in the park or on the sidewalks. The town has stations set up to discard your animals wastes. Please help the Town stay clean by picking up after your pet.

Applications can be picked up at the Clerk's Office or printed from the Town's website.

Applications will be accepted until April 30th

Looking to host a Birthday Party, Wedding, Graduation Party or need a place to have a meeting?

The Town of Elmira Community Center is a great place to rent!
