## **Update from the Supervisor.....**

On July 24<sup>th</sup>, we celebrated the presentation of the largest donation to date to the basketball court citizen group that has spent the last year fundraising to preserve the courts as originally designed. Katie Goetz along with the help and support of her brother Brian Gilbert, were the drivers of this initiative and are pictured here. I want to take the time once again to thank T-Mobile for their generous contribution of \$20,000, and to Katie who took on the project for the good of the whole community. She deserves a gold medal but alas I was only able to provide her with a plaque and sincere words of gratitude on behalf of the Town Board. It is residents like Katie and her whole family who truly make the Town "a great place to live."

The pool continues to be very busy with the incredibly warm weather, and I have been pleased to know that so many are enjoying it. This year, we expanded our swim lesson offering in order to allow more opportunity to those kids residing in and outside of the Town. Learning to swim is such an important skill to have and our guards are pros at getting the kids to become safer around water; and to find lifelong enjoyment of a staple of summer. Thanks to Loren and all the guards for keeping everyone safe and for allowing the Town to provide such an important public service.

There is still more Wednesday nights providing Music in the Park and invite you to bring your camp chair and come enjoy. You can even get a snack at the Concession Stand . It's a great time!

"August is nature's grand finale"-unknown

Stop in the Town Hall and learn how you can have a party at the pool before it closes on August 25th!

Wednesday's at 6:00pm

Bring a chair or blanket and enjoy the summer concerts in the park
