

## **DEC Conservation Licenses**

New York State DEC law requires that you must obtain a hunting or fishing license in order to hunt or fish in New York State. Licenses are available at the Town Clerk's Office. Hunting and Fishing Licenses run from October 1 through September 30 of each year. Hunting license applicants must provide proof of required training classes as required by New York State. No one under the age of 12 may possess a hunting license. If you are purchasing a license you must provide identification in the form of a current driver's license or sheriff's photo identification.
