Update from the Supervisor.....

The office has been busy with issuing of pool passes, training of lifeguards and all of the “business as usual duties.” The Park saw several school groups last month, kids playing baseball and, lots of tennis and pickle ball. So great to see the activity. This month, the Town pool opens to the public and we have expanded our offering of swim lessons. I am working with the County for a state grant to help offset expenses related to the operations of the pool and feeling hopeful. Pool passes are still available for purchase and it is probably the best summer deal around. The highway department has almost completed the huge job of paving upper Larchmont and Stoneybrook. Be sure to come to Music in the Park on Wednesday nights starting July 10th through the end of August. It is always a great time. In cooperation with Chemung River Friends, a nature camp is being held and sign-ups can be done through their website but as a convenience for parents, we can also take payment at the Town office. It will prove to be a great way for your kids to spend a week and at a cost of only 25.00 for a week. Hope everyone has a safe and fun July.

DID YOU KNOW??

Tis the season for lawn mowing

Did you know there's one thing you may be doing while mowing the yard that's actually illegal in New York State?

As mowers are being brought out of winter storage, you need to keep this in mind to avoid a fine.

Blowing your grass clipping in the road is against the law in New York. You may not only be fined but you could also get sued if the clippings cause an accident.

Section 1219 of the [New York Vehicle and Traffic Law](#) prohibits grass clippings and other debris on streets and highways.

No person shall throw or deposit upon any highway any glass bottle, glass, nails, tacks, wire, cans, snow, **grass clippings** or any other substance likely to injure any person, animal, or vehicle upon such highway.

Grass clippings can reduce traction and cause a motorcycle driver to lose control.

If there's an accident, you're responsible.

Lawn Care Tools and Hours of Operation

With the spring and summer months upon us, the West Elmira Police Department would like to remind residents and lawn care companies of the Town of Elmira Noise Ordinance.

Lawn care and gardening tools that are audible beyond the property line, are only permitted to be operated between the hours of 8 AM to 8 PM on weekdays and between 9 AM to 8 PM on weekends.

Violations of this ordinance can be reported by calling police dispatch at (607) 735-8600.

Thank you for your cooperation and have a safe summer.
