

SWIMMING PROGRAM

The Town of Elmira has a swimming pool located in Pirozzolo Park behind the Town Hall. Residents of Park District #1 are eligible to obtain a Pool Pass for swimming at the pool at reduced rates. This reduction is given to these residents because they are assessed a Park District #1 tax on their Town Tax bill. Pool passes are available for Park District #1 residents **ONLY** by applying at the Clerk's office only. They are not available at the pool. A valid driver's license is required for proof of residency. The passes are available for purchase in June of each year and are valid for that summer season. Passes are in the form of a patch which **MUST** be sewn onto your suit or personal bag. No patches are allowed in the pool, that are pinned on.

SWIMMING LESSONS

The Town has a Swimming Lesson program, that is offered each summer. Lessons are Monday through Friday from 11:00 – 11:45 AM for a two week session. Children must be 4 years of age or older. Sign-ups begin in June and you must register at the Town Clerk's office.
