

Sidewalk Program

Contact the Highway Department at (607) 734-0199 between 7:00am and 3:30pm if you are interested in participating in the Town of Elmira Sidewalk Program.

A Highway employee will inspect the sidewalk and if they deem that you qualify, they will instruct you to contact the Code Enforcement Officer to apply for a permit.

Once the permit is finalized and approved the Highway Department will schedule a date to come remove your old sidewalk.

It then is the Homeowners responsibility to either hire a contractor or perform the work themselves to replace the sidewalk using the specifications set forth by the Town Sidewalk Ordinance.
